### P148 Yanked

Oh, is it spanking time again, Ave honey? (sigh) ... Okay, we'll try to be gentle this time.

Is it not amazing that here again, nothing much is showing except some rear cleavage? And yet... the scenario itself, the frightened look in her eyes pleading "Do I have to?", coupled with her betraying derriere, poked up so high it appears to scream "Hurry please!" is just about as teesy/sexy as it gets.

And that delicate finger, pointing the way to her open mouth... Avery, you're just too too much!
